

## CARIBBEAN BIRDING TRAIL

Through the Caribbean Birding Trail (CBT), we work to engage new audiences in the fascinating world of Caribbean birds. To help connect visitors and locals to the region's unique birdlife we create and promote sustainable and authentic experiences that are based on the cultural and natural resources of the Caribbean. To do this effectively we strive to develop partnerships at every level and across all sectors. *If you would like to collaborate with us, please take a few moments to fill out the following questionnaire for each site you would like to be highlighted on the Caribbean Birding Trail.*
